

Statement on Balloon Releases

'Do not release balloons'

Balloons create smiles for millions of people across the globe. Due to our ongoing love for the environment, we support weighting and never intentionally releasing balloons.

Please spread the word #globalballoonawareness

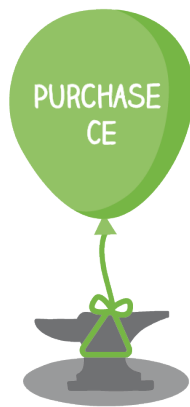

SAFE BALLOON PRACTICES

DON'T RELEASE HELIUM BALLOONS OUTDOORS - TIE EACH HELIUM BALLOON INDIVIDUALLY TO A WEIGHT. ALWAYS DISPOSE OF BALLOONS RESPONSIBLY.

UNINFLATED OR BURST BALLOONS CAN PRESENT A CHOKING HAZARD - PLEASE SUPERVISE SMALL CHILDREN AT ALL TIMES.

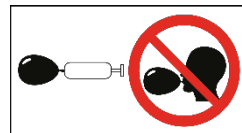

ONLY PURCHASE CE MARKED PRODUCT. THESE PRODUCTS ARE SUBJECT TO EUROPE'S HIGH MANUFACTURING AND TESTING STANDARDS.

TO REMOVE THE RISK OF INJURY, ALWAYS USE A BALLOON PUMP AND NEVER INHALE HELIUM.

BALLOONS MADE OF NATURAL RUBBER LATEX MAY CAUSE A REACTION IN THOSE WITH LATEX ALLERGIES. LOOK OUT FOR SYMPTOMS AND SEEK HELP IF REQUIRED.

Keep on smiling - be an environmental hero!

Supported by balloon industries across the world.
